NINO® Percussion - MAKE YOUR OWN CAJON

Gutenstetten, Germany – October 2013

One of the most popular percussion instruments today is the Cajon and now with our NINO® Cajon Kit you can build your own. The instructions will guide you through this fun project and at the end you will be able to customize the finish of the instrument by using for example our given stencils and adding a lacquer or painting it with an entirely unique design. This cajon is the perfect project for any class, as it is a craft project, and art project, and a music project all rolled into one.
